RESOLUTION ON THE LAUNCHING OF THE

DECADE OF EDUCATION IN AFRICA

(1997 - 2006)

The Assembly of Heads of State and Government of the Organization of African Unity, meeting in its Thirty-Second Ordinary Session in Yaounde, Cameroon, from 8 to 10

July, 1996,

Having considered the statement of the representative of Mali relating to the Decade

of Education in Africa presented by the Government of the Republic of Mali,

Recalling Resolution CM/Res.1603 (LXIV) by which the Sixty-Second Ordinary

Session of the Council of Ministers declared 1996 the "Year of Education in Africa (YAE)",

<u>Further recalling</u> the need to consolidate the tremendous achievements already made

in the area of the Year of Education particularly the Segou Prospects Observatory which

have recorded results in West and Central Africa,

Aware of the urgent necessity to mount a relentless campaign in order to overcome all

the obstacles hampering progress towards education for all, and, to that end, the need for the

rapid implementation of the twelve (12) recommendations of the Pan-African Seminar on the

Launching of the Year of Education in Africa held in Bamako from 5 to 7 October, 1995 on

the theme "Towards Education for All",

Also Aware that the overhaul of African educational systems and the emergence of a

New African Educational System would determine not only the success of development efforts

but also the consolidation of the democratization process,

Convinced that only a strategy articulated at the level of the entire Continent will

make it possible to take up the challenges posed by education:
