**PRESS STATEMENT ON THE UNITED NATIONS HEAVY SUPPORT PACKAGE
FOR THE AFRICAN UNION MISSION IN THE SUDAN (AMIS)**

The Peace and Security Council, at its 76th meeting held on 10 April 2007, was briefed by the Commissioner for Peace and Security, on the Conclusions of the African Union – United Nations – Government of Sudan High Level Technical Consultations on the UN Heavy Support Package to AMIS, held in Addis Ababa on 9 April 2007.

The Council welcomed the Conclusions of the High Level Technical Consultations and the finalization of an agreement on the Package.

The Council noted that there remains, however, one important item relating to the Tactical Helicopter Unit of the Package on which the Sudanese delegation will further consult and hopes to provide a positive and expeditious response.

The Council looks forward to a positive and early response from the Government of Sudan, so as to make it possible to implement, in earnest, the Heavy Support Package and strengthen AMIS.
