PACA Strategy Development - Stakeholder Consultation Workshop – 10-12 April 2013

Workshop Objectives:

1. Bring together continent-wide technical knowledge and expertise on aflatoxin.
2. Understand PACA's work to date and provide input on PACA Strategy and future direction.
3. Prioritize specific intervention activities, based on agreed upon criteria.
4. Develop key results areas for action.

Expected Outcomes:

1. Creation of sense of and connection to broader PACA community.
2. Understanding of PACA Vision, Mission, Objectives and Thematic Areas for Action
3. Identification of challenges, opportunities, criteria and potential priority intervention areas.
4. Development of Key Results Areas and specific action recommendations for each area.
