   g) ensure equal regional representation and gender equality;

   h) shortlist at least two (2) candidates for each portfolio, for submission to the Executive Council for election; and

   i) make appropriate recommendations to the Executive on the election process of Members of the Commission.

12. Due to financial constraints, the Ministerial Panel also agreed that the Team of Consultants to assist the Ministerial Panel should be reduced from ten (10) to three (3).
13. The Ministerial Panel (Ambassadors Level) also met on 29 February, 2016 in Addis Ababa, Ethiopia to receive an update on the election process of Members of the Commission.

14. It should be recalled that the Terms of Reference for the Team of Consultants were to:

   a) assist the Ministerial Panel analyze and evaluate the curriculum vitae of all candidates for commissioners as submitted to the Panel from the five regions of the AU;

   b) assist in ascertaining and establishing the equivalency of academic qualifications of candidates;

   d) assist in making a comprehensive and objective analytical report to the Ministerial Panel on all the candidates; and

   e) perform any other tasks as may be requested by the Ministerial Panel.

15. The Commission appointed the following members of the Team of independent consultants to assist the Ministerial Panel:

   a) Amb. Layi-Kayode IYANDA (Nigeria) Coordinator;

   b) Prof. Shadrack B. O. GUTTO (South Africa) Deputy Coordinator;

   c) Prof. Hajer GUELDICH (Tunisia) Rapporteur.

16. The Report of the Team of Consultants was considered by the Ministerial Panel during its meeting held in Addis, Ethiopia, on 5 April 2016. The Ministerial Panel took note of the Report of the Team of Consultants and agreed that:

   a) Thirty-three (33) candidates as evaluated by the Team of Consultants should be presented to the Executive Council for election and circulated to Member States at least three (3) months before the election in accordance with Article 16 (1) of the Statutes of the Commission…;

   b) The CVs of the candidates should also be circulated to Member States;

   c) The list of the candidates should be prepared on the basis of the scores but that no scores should be included;

   d) The order of the elections should not be changed at this stage and that the practice which is based on Article 12 of the Statutes of the Commission should be maintained.
17. In the light of the observations made by the Members of the Panel, the Legal Counsel and the Team of Consultants, the Ministerial Panel decided to make the following recommendations to the Executive Council:

   a) A strong appeal should be made to Member States and the Regions to comply with the rules and modalities on elections of Members of the Commission;

   b) The need for the rules relating to the elections to be reviewed in accordance with the decisions already taken previously with a view of addressing the challenges faced. In this regard, the Sub Committee on Rules, Standards and Credentials should be urgently operationalized.

   b) **Nominations of candidatures for the post of Commissioner**

18. In conformity with Article 13 of the Statutes of the Commission, the election process commenced with a pre-selection of candidates at the regional level.

19. Each region was required to elaborate its own modalities for short-listing and selection of Commissioners and nominate two (2) candidates including a woman for each portfolio.\(^\text{11}\) For the eight (8) portfolios, each region was expected to nominate sixteen (16) candidates [eight (8) men and eight (8) women], making a continental pool of eighty (80) candidates.

20. However, it should be pointed out that a total of thirty seven (37) candidates were submitted to the Team of Consultants for analysis and evaluation. It should be noted that out of the thirty seven (37) candidates received, only two (2) were submitted by a Member State directly and not by the respective region.\(^\text{12}\)

21. None of the regions had complied fully with the provisions of Article 13 of the Statutes in terms of submission of candidatures in the required number for each portfolio and gender. Further, in the course of evaluating the candidates, the Team of consultants did not evaluate three (3) candidates because one (1) candidate submitted a CV with scanty information on his educational qualification and expertise while two (2) candidates did not submit their CVs at all.

22. The Rules of Procedure of the Assembly, the Rules of Procedure of the Executive Council, the Statutes of the Commission as well as the Modalities on Election of Members of the Commission are silent on what should be done by the Commission when a region does not comply with the requirements on submission of candidatures.

23. The Final List of candidates for the posts of Commissioners is attached in the Annex.

\(^\text{12}\) Paragraph 10 of the Report of the Ministerial Panel of 5 April 2016
V. VOTING PROCEDURES

24. Rule 42 (1) of the Rules of Procedure of the Assembly provides that voting shall commence with the election of the Chairperson and the Deputy Chairperson; thereafter, the Assembly shall appoint Commissioners elected by the Executive Council.

25. The voting procedure is governed by Rule 38 of the Rules of Procedure of the Executive Council, which stipulate:

   "1. In any election of the Commissioners, the balloting for each portfolio shall continue until one of the candidates obtains the two-thirds majority required. Provided that, if the third ballot remains inconclusive, the next ballot shall be restricted to the two (2) candidates who obtain the highest number of votes in the third ballot.

   2. If after three (3) further ballots neither of the two (2) candidates obtains the majority required, the candidates with fewer votes shall withdraw.

   3. Where there are only two (2) candidates initially and neither candidate obtains the majority required after the third ballot, the candidate with fewer votes shall withdraw and the remaining candidate shall proceed to the next round.

   4. If the remaining candidate fails to obtain the two-thirds majority required in that round, the Chairperson shall suspend the election.

   5. Where there is only one (1) candidate initially and he or she fails to obtain the two-thirds majority required after the third ballot the Chairperson shall suspend the election.

   6. This voting procedure shall be applicable to all elections conducted by the Executive Council in respect of other Organs of the Union."

VI. ELECTION PROCESS

26. In conformity with Rule 42 of the Rules of Procedure of the Assembly of the Union, the voting shall commence with the election of the Chairperson of the Commission, followed by the election of the Deputy Chairperson; thereafter the Assembly shall endorse the Commissioners elected by the Executive Council.

27. The practical implementation of this approach would mean that the Assembly will elect the Chairperson and the Deputy Chairperson on the first day of its Ordinary Session in Kigali, Rwanda, in July 2016, and immediately thereafter, the Executive Council would reconvene in its ordinary session to elect the Commissioners.
28. This approach would also mean that the Assembly of the Union would continue with consideration of its agenda items in the Plenary, whilst Council will be meeting in another room conducting the elections of Commissioners. The names of the candidates elected by the Executive Council shall be submitted to the Assembly for appointment.

29. As indicated in paragraph 23 above, the final list of candidatures for Commissioners and the Curriculum Vitae are attached hereto as Annexes.
