**EXECUTIVE COUNCIL
Ninth Ordinary Session
25 - 29 June 2006
Banjul, THE GAMBIA**

EX.CL/244(IX)

**REPORT ON THE IMPLEMENTATION OF PREVIOUS
DECISIONS OF THE EXECUTIVE COUNCIL AND
THE ASSEMBLY**

**REPORT ON THE IMPLEMENTATION OF PREVIOUS DECISIONS OF THE
EXECUTIVE COUNCIL AND THE ASSEMBLY**

This report gives a brief summary of the status of implementation, by the Departments, Directorates and Units of the Commission, of various decisions, declarations and other acts issued by the policy organs of the Union during the review period, that is, from January to June 2006.

The Executive Council and the Conference adopted a significant number of acts sanctioning the deliberations of their various ordinary, extraordinary and special sessions; these acts provide the legal frameworks binding the Commission and other Union organs in the performance of their duties to consolidate the integration process in Africa. Many of these actions are undertaken in the form of consultation meetings, coordination and harmonization of approaches and activities organized in conjunction with Member States. Most often, the aim is to adopt common stands and harmonized political decisions.

The activities cover a wide range and a high number of topics of common interest to Member States. The range stretches from legal, administrative, financial, political, economic, social and cultural issues to peace and security. Certain specific items proposed by Member States are treated in a separate implementation report to be submitted to the Conference for consideration.

On account of budgetary constraints or lack of human resources during the review period, certain decisions with particular financial incidence were not implemented, while others were carried forward a little for technical reasons or because of the schedule, pending more favourable conditions or eased constraints.

In addition, the AU Commission presented the African Regional Strategy of Disaster Risk Reduction at the African Ministerial Conference on the Environment (AMCEN), on May 22-26, 2006 in Brazzaville, Congo.</p>	
<p>EX.CL/Dec.259 (VIII)</p> <p>Decision on the Highly Pathogenic Avian Influenza (HPAI)</p>	<p>The AU/IBAR in collaboration with the FAO recruited an Avian flu coordinator for East and Southern Africa (stationed in the AU/IBAR office in Nairobi) and another one in charge of West and Central Africa stationed in Bamako, Mali. Workshops for launching activities of the two offices were respectively held from 18 – 20 January, 2006 in Nairobi, and from 23 – 25 January in Bamako. There are further discussions for the establishment in Cairo of a third office to cover North African countries.</p> <p>When Avian Influenza outbreaks were declared in Northern Nigeria in February, AU/IBAR sent two teams to the country to support the veterinary services in implementing control measures. Shortly thereafter, two other experts from the AU-IBAR office in Bamako were dispatched to Benin, Niger, Chad and Cameroon to help in resource mobilization negotiations with the EU Delegations in the various countries.</p> <p>Discussions between the AU Commission with the African Development Bank led to the formulation of a Memorandum of Understanding to avail to Nigeria and seven other neighbouring countries (Burkina Faso, Ghana, Togo, Benin, Niger, Chad and Cameroon), deemed to be directly exposed to the risk of spreading from the Nigerian outbreaks, an amount of US\$ 500,000 per country.</p>	
	<p>A sub-regional coordination mechanism was set up for the prevention and response to Avian flu within the ECOWAS region and a Ministerial Steering Committee was set up to provide political leadership for the mechanism. A Ministerial Meeting for avian influenza is planned in Abuja, Nigeria on June 23.</p>

<p>Green Wall for the Sahara Initiative</p>	<p>It would be recalled that HE. President Olusegun Obasanjo, President of the Federal Republic of Nigeria, proposed a “Green Wall for the Sahara Initiative” to the 5th Ordinary session of Summit in July 2005, which was widely supported. In pursuit of the implementation of the Initiative, the Commission convened two informal contact group meetings to brainstorm on the way forward with the Initiative. Based on the request of these meetings, the Commission has also prepared a Concept Paper, which proposed the creation of a Steering and Technical committees to guide the implementation as well as other technical considerations. Member States in the sahelo-sahara zones that will be affected by the Initiative have been invited to propose representative to the two Committees. The Commission is indeed optimistic about the Initiative and hopes that the African Union, Member States concerned and the development partners will provide sufficient funding for the implementation of the comprehensive action plan that will come out of the consultations of the Technical Committee. The progress report on Green wall Initiative was presented and adopted during the 11th Regular session of the Amen Ministerial Council on Environment (AMCEN) meeting held between 21 - 26 May 2006.</p>
