- v) Lesotho;
- vi) Mali;
- vii) Malawi; and

3. The Eastern Region is still consulting on its representation to the Ministerial Panel.

III. OPENING REMARKS

4. In his opening remarks, Prof. Vincent Nmehielle, Legal Counsel of the African Union Commission, on behalf of the Chairperson of the Commission, Dr. Nkosazana Dlamini-Zuma, welcomed and thanked the Members of the Panel for attending the meeting. He highlighted that the meeting was being held on the sidelines of the Summit in view of the fact that a report has to be submitted to the Executive Council for consideration.

5. The Legal Counsel recalled that the purpose of the meeting was for the Panel to consider the draft Modalities for Election of Members of the Commission, the draft Terms of Reference for the Team of Consultants to assist the Ministerial Panel and submit them to the Executive Council for consideration. He drew attention to the need for the Panel to agree on a roadmap for the submission of candidatures for the Members of the Commission bearing in mind that the names of candidates have to be circulated to Member States at least three (3) months before the election. Finally, he informed the meeting that they will be briefed on the draft budget required for the work of the Panel and its related activities for recommendation to the Executive Council.

6. Regarding the draft Modalities for Election of Members of the Commission, the Legal Counsel recalled that it is the practice of the Executive Council to adopt Modalities for Elections. He informed the meeting that the Modalities is not a new instrument but only a compilation of existing rules as contained in the Rules of Procedure of the Assembly, the Rules of Procedure of the Executive Council and the Statutes of the Commission. In this regard, he further informed the meeting that no changes have been made to the 2008 and 2012 Modalities in view of the fact that the rules have not been amended. However, as the dates for the next Summit have not yet been announced, the dates on the roadmap have been left blank but will be filled as a matter of course.

7. The Legal Counsel informed the meeting that no changes were made to the previous Terms of Reference for the Team of Independent Consultants.

8. On the budget for the work of the Ministerial Panel, the Legal Counsel indicated that the matter is not budgeted for in the 2016 budget and that there will therefore be need for the Panel to recommend to the Executive Council to authorize the allocation of a budget from the arrears of contributions, the General Fund or any other available resources. He informed the meeting that for the previous elections, a supplementary budget was authorized from the arrears of contributions.

9. He then wished the Members of the Panel fruitful deliberations during the meeting.

12. The position of Rapporteur was reserved for the Eastern Region.

V. ADOPTION OF THE AGENDA

13. The meeting adopted the following Agenda:

- viii) Any other business;
- ix) Closing remarks.

VI. CONSIDERATION OF THE DRAFT MODALITIES FOR THE ELECTION OF MEMBERS OF THE COMMISSION

14. On this Agenda item, the following observations made:

- a) The Independent Consultants that assist the Panel should be dispensed with or their role to be limited considering that the elections of Members of the Commission is a very sensitive exercise which should be left to Member States;
- b) In view of the financial status of the Union and that the work of the consultants is circumstantial, the number of the consultants should be reduced;

15. The Legal Counsel clarified that the Team of Independent Consultants could not be dispensed with as it was provided for under Article 14 of the Statutes of the Commission. Regarding the reduction of the number of the consultants, the legal Counsel proposed that the number may be reduced from ten (10) to five (5) in order to have one (1) consultant per region so that there is no appearance of exclusion for any region.

16. Following clarifications by the Legal Counsel, the Panel agreed to maintain the Team of Consultants but to reduce the number from ten (10) to three (3). The meeting also agreed that the Office of the Legal Counsel should fill the roadmap once the dates of the Summit are known taking into account the relevant provisions of the Rules of Procedure of the Assembly and the Executive Council as well as the Statutes of the Commission.

17. The meeting adopted the Modalities on Election of Members of the Commission in June/July 2016 as annexed to this report and agreed to submit the same to the Executive Council for consideration and endorsement.

VII. CONSIDERATION OF THE PROPOSAL FROM THE 8th GENDER PRE-SUMMIT

18. The Legal Counsel informed the meeting that the 8th Gender Pre-Summit that was held from 17 to 21 January 2016 at the AU Headquarters recommended an alternating system between men and women in the positions of Chairperson and Deputy Chairperson.

19. The Members of the Panel took note that the rules provide that from each region, at least one (1) member of the Commission should be a woman. It was emphasized that the election should not be subjected to sectoral considerations but should be left to the wisdom of the Assembly and the Executive council respectively. The Members of the Panel also noted that implementation of the proposal would require an amendment to the rules which is subject to adoption by the policy organs.

20. The Panel agreed to use the existing framework in the election of Members of the Commission as the Panel was not the competent body to amend the Rules.

VIII. CONSIDERATION OF THE DRAFT TERMS OF REFERENCE (TORs) FOR THE TEAM OF CONSULTANTS TO ASSIST THE MINISTERIAL PANEL

21. The Members of the Panel adopted the Terms of Reference subject to the observation relating to the reduction of the number of the consultants from ten (10) to three (3).

IX. BRIEFING ON THE BUDGET FOR THE ELECTION PROCESS

22. The Members of the Panel requested the Commission to work with the Permanent Representatives of the Ministerial Panel on the budget for the work of the Panel and its related activities.

23. The Ministerial Panel agreed to recommend to the Executive Council for authorization of the necessary expenditure from arrears of contributions, General Fund or any other available resources to facilitate the important work of the Ministerial Panel and its related activities.

X. ANY OTHER BUSINESS

24. There was no issue raised under this agenda item.

XI. CLOSING REMARKS

25. The Chairperson emphasized that the election of members of the Commission was a very important exercise for the African Union.

26. He then thanked the members of the Ministerial Panel for their contributions. He also thanked the Commission, particularly the Office of the Legal Counsel, interpreters and translators and the technical staff for their support. He indicated that as agreed, the Modalities on the Elections of Members of the Commission in July 2016 would be submitted to the Executive Council for consideration.

27. The meeting of the Ministerial Panel then adjourned its meeting.

**DRAFT MODALITIES FOR THE ELECTION OF MEMBERS OF
THE COMMISSION IN JULY 2016**

**DRAFT MODALITIES FOR THE ELECTION OF THE MEMBERS
OF THE COMMISSION IN JULY 2016**

I. BACKGROUND

1. Prior to the establishment of the African Union and the adoption of the Rules of Procedure of the Policy organs in Durban, South Africa in 2003, the Assistant Secretaries General of the Organization of African unity were elected directly by the Assembly and assigned and re-assigned portfolios by the Secretary General of the OAU.

2. Under the current system prescribed in the Rules of Procedure of the Assembly, the Executive Council and the Statutes of the Commission, there is a pre-selection exercise undertaken by the Regions, after which the short-listed candidates (two (2) candidates, one man and one woman, for each portfolio) are submitted to a Central Pre Selection Exercise composed of a Ministerial Panel made up of two ministers per Region, assisted by a team of consultants.

3. This elaborate process has been found to be complex, cumbersome, time consuming and costly not only at the stage of pre-selection at the Regional level but also at the stage of short listing and the actual elections.

4. The current modalities have been prepared on the basis of the existing rules without proposing any change¹.

5. In accordance with Article 14 of the Statutes of the Commission, the Commission sent out a Note Verbale onSeptember 2015to the Overall Dean and the Deans of the African Diplomatic Corps to the African Union inviting them to consult and submit two (2) names of their respective representatives to sit on the Ministerial Panel for the Central Pre-Selection Process for the Election of Members of the Commission in January 2012.
