### **Council,**

1. **Takes note** of the Report of the Chairperson of the Commission on the evolution of the situation in Mali [PSC/AHG/3 (CCCLVIII)], as well as the briefings made by the Commissioner for Peace and Security and the High Representative of the AU for Mali and the Sahel, Head of African-led International Support Mission in Mali (AFISMA). Council **also takes note** of the Statements made by the representatives of Mali, the Economic Community of West African States (ECOWAS) and the UN, the European Union (EU), France, Russia, United Kingdom and the USA;
2. **Recalls** its previous Communiqués on the Situation in Mali and **reaffirms its unwavering commitment** to the national unity and territorial integrity of Mali;
3. **Welcomes** the progress made in the efforts to recapture the regions in the North of Mali, occupied by armed terrorist and criminal groups, with the prompt and effective assistance provided by France. Council **also welcomes** the acceleration in the deployment of AFISMA and the ongoing security and stabilisation operations in order to facilitate the consolidation of gains made on the ground. Council **notes with satisfaction** the appointment of the High Representative for Mali and the Sahel, former President Pierre Buyoya of Burundi, as the Special Representative of the Chairperson of the Commission and Head of AFISMA, as well as the appointment of Ambassador Cheaka Touré of Togo, as Deputy Special Representative. Council **also notes with satisfaction** the establishment, in Addis Ababa, of the Integrated Task Force on Mali and the Joint Coordination Mechanism in Bamako, under the leadership of the Head of AFISMA. Council **welcomes** the consultations undertaken by the Chairperson of the Commission and the Commissioner for Peace and Security with various African and international actors, including Presidents Alassane Ouattara of Côte d'Ivoire and Idriss Deby Itno of Chad, as well as with the UN Secretary-General, and the interactions of the Head of AFISMA with the Malian authorities and bilateral partners;
4. **Expresses its deep appreciation** to all the forces engaged in the security and stabilisation operations in the North of Mali, and **expresses** its sincere condolences to Chad, France and Togo for the loss of troops in their respective contingents. Council **also expresses its gratitude** to all Troop Contributing Countries (TCCs) and Police Contributing Countries (PCCs) to AFISMA for their sacrifice and contribution to the efforts for the liberation and restoration of the authority of the State of Mali in the regions in the North of the country. Council **reiterates its appreciation** to the core countries for their commitment to facilitate the operations of the AFISMA and the French and Malian forces in the North of Mali;
5. **Appeals** to all countries and organisations that made pledges to support AFISMA and the Malian Defence and Security Forces at the Donor Conference, held in Addis Ababa, on 29 January 2013, to expeditiously honour their pledges, so as to allow AFISMA to operate in the best possible conditions and to effectively fulfill its mandate aimed particularly at assisting Mali in regaining the territories still occupied, to ensure the security of the institutions and the people and stabilise the security environment in the country;

6. **Notes with satisfaction** the adoption by the Government of Mali of the Roadmap for the Transition, and its subsequent approval by the National Assembly and **urges** all Malian actors concerned to endeavour towards the scrupulous implementation of the Roadmap. Council **reaffirms** its strong support to the authorities of the Transition which should assume their full responsibilities, and **takes note** of the timetable envisaged for the organisation of the general election;
7. **Decides**, endorsing the decision of the Ordinary Summit of ECOWAS, held in Yamoussoukro, on 27 and 28 February 2013, that the general elections will mark the end of the Transition. Council **encourages** the Government of Mali to finalise all the arrangements provided for in the Roadmap, and **welcomes** the establishment of the Dialogue and Reconciliation Commission by the Council of Ministers on 6 March 2013 and **calls for** its speedy operationalization, as well as effective support by all Malian stakeholders. Council **warns**, once again, all individuals, military or civilian, who interfere in the conduct of the Transition or the functioning of the chain of the military command under the civilian control;
8. Reaffirms, once again, its commitment to the respect for Human Rights and International Humanitarian Law, as well as its determination to take appropriate measures against any author of violation of those rights;
9. **Commends** the convening, in Brussels, on 5 February 2013, of the third meeting of the Support and Follow-up Group and **fully supports** the implementation of the conclusions of that meeting;
10. **Welcomes** the organisation, in Bamako, from 15 to 21 February 2013, of the Planning Conference, which, with the participation of experts from Mali, ECOWAS, the core countries, the AU, UN, EU and other bilateral partners, helped to finalise the revised, harmonised AFISMA Concept of Operations (CONOPS), pursuant to Paragraph 7 (a) of the Communiqué [PSC/AHG/COMM/2. (CCCLIII)] of its 353<sup>rd</sup> meeting, held on 25 January 2013. Council **notes with satisfaction** that the revised and harmonised CONOPS has been endorsed by ECOWAS at its Ordinary Summit held in Yamoussoukro;
11. **Decides** to endorse the harmonized and revised AFISMA Concept of Operations. In this regard, Council **requests** the TCCs and PCCs to accelerate the pace of deployment in the theatre of operations;
12. **Requests** the Chairperson of the Commission to immediately transmit the harmonized and revised CONOPS to the Secretary-General of the UN, and **requests** the Security Council to consider the document and take positive action. Council **reiterates** its request to the Security Council to authorise the immediate establishment of a support package funded through UN assessed contributions, as well as the transitional arrangements to allow the completion of the deployment of AFISMA and the effective conduct of its operations;
13. **Supports** the envisaged transformation of AFISMA into a UN operation. In this regard, Council **stresses** that a UN operation should, in order to positively contribute to the consolidation of the progress made in Mali and the promotion of peace and security in the region, comply with the following parametres:

- (i) the need for such a Mission to be provided with a robust mandate based on Chapter VII of the UN Charter, defined in consultation with Mali, the AU and ECOWAS, and firmly supporting the Malian Government to strengthen the authority of the State throughout its territory and to preserve the unity and territorial integrity of the country, including the fight against criminal and terrorist networks operating in the North of Mali,
- (ii) the need for the UN to consult closely and adequately with the AU and ECOWAS throughout the proposed transformation process of AFISMA into a UN operation, as well as the appointment of the future Special Representative of the Secretary-General who will lead the planned Mission in the spirit of continuity, with regard to the leadership and the contingents,
- (iii) the mobilisation, in favour of AFISMA, of financial and logistical support that make it possible to build the operational capacity of the Mission and to facilitate its subsequent transformation into a UN operation, particularly through the establishment by the United Nations of an appropriate logistical support mechanism to be operational by the end of the three-month period during which the contingents are supported by their respective countries,
- (iv) the support for the central political role of the AU and ECOWAS, both in supporting the transition through the implementation of the Roadmap developed in this regard, as well as in the formulation and implementation of the governance and other reforms to be carried out to address the root causes of the multidimensional crisis faced by Mali; and
- (v) the support for regional cooperation in the field of security, considering the transnational nature of the threat of terrorism and crime, and given the potential to be realised within the African Peace and Security Architecture;

14. **Requests** the Chairperson of the Commission to transmit this communiqué and the revised CONOPS to the UN Secretary-General and, through him, to the Security Council, as well as to mobilise, in close consultation with ECOWAS, the support of partners of Africa for the adequate consideration of the concerns expressed above;

15. **Requests** the Chairperson of the Commission to initiate immediate consultations with the President of the ECOWAS Commission for the establishment, in the wake of the early transformation of AFISMA into a UN operation, of a Joint AU- ECOWAS Support Mission in Mali, whose mandate will be determined in close consultation with the Government of Mali;

16. **Stresses** the importance of formulating a comprehensive post-conflict reconstruction strategy for Mali, and **requests** the Commission in coordination with the Government of Mali, ECOWAS, the UN Envoy for Mali and the Sahel, as well as bilateral and multilateral partners, to ensure the coherence of regional, continental and international efforts. In this respect, Council **welcomes** the offer by the Government of the Arab Republic of Egypt to host an expert-level workshop on the issue;

17. **Decides** to remain actively seized of the matter.
