Council acknowledged the enormity of the humanitarian needs, as well as the far reaching challenges facing UNISFA and the Abyei communities.

Council also noted the plight of the local communities and called for urgent development assistance, especially in the fields of health and education, and pledged to do its utmost in seeking assistance for such development.

Council reaffirmed its communiqué PSC/PR/COMM.(CDIII), adopted at its 403rd meeting held on 26 October 2013, through which Council among other things, reiterated its deep concern about the situation prevailing in Abyei, and stressed the need for active and continued African involvement in support of efforts aimed at addressing the challenges at hand. Council reiterated its full acceptance of the proposal submitted by the AU High-Level Implementation Panel (AUHIP), on 21 September 2012, and renewed its appeal to the UN Security Council to urgently support the proposal as the best way forward for the solution in Abyei.

Council underscored the inalienable right of the people of Abyei to self-determination in accordance with the Abyei Protocol contained in the Comprehensive Peace Agreement (CPA) of 2005. With regard to the decision of the Ngok Dinka community to conduct a referendum, Council listened to the expression of deep frustration, anger and concerns, as well as reasons for the action of the Ngok Dinka community and stressed the need for continued efforts to resolve the final status of Abyei within the context of the AUHIP proposal of 21 September 2012.
