 3. **Job profiles and competency requirements for the senior leadership of the Commission shall be developed by the Panel of Eminent Africans. These shall include generic leadership skills and competencies as well as expert and thematic skills in relation to specific portfolios. In addition to the key principles referred to above, the assessment process for all candidates shall be based on the skills and competencies identified for each senior leadership position.**
45. As per Para.17 and 20 of decision Ext/Assembly/AU/Dec.1(XI) a new Article has been added to the Statute as Article 16 (**Selection and Election Timeline**) and reads as follows:

Article 16
Selection and Election Timeline

The timeline for selection and election for the senior leadership of the Commission shall be as follows:

- 1) **The announcement of the Candidates for the senior leadership posts shall start in March of the year preceding the election of the new Commission.**
 - 2) **Candidatures for the Office of the Chairperson of the Commission and his/her Deputy shall be circulated to Member States at least ten (10) months before the election.**
 - 3) **The independent assessment of candidates for Commissioners shall start from August to December of the year preceding the election.**
46. The timeline and the announcement of candidature as reflected in Article 16(2) is a repetition of 16(1), which covers all the Senior Leadership. Therefore it is proposed that Article 16(2) should be deleted.
47. As reflected in the new Article 16(3), the assessment to be taken from August to December only covers the Commissioners, while it should have covered all

Senior Leadership as reflected in Para. 13 and 16 of the decision Ext/Assembly/AU/Dec.1(XI). Therefore, the new Article 16(3) reads as follows:

3) The independent assessment of **the Senior Leadership** shall start from August to December of the year preceding the election.

48. In addition to the above it is not clear when the commission will circulate the final list of the proposed senior leadership to the Member States. In the previous Rules of the Procedure of the Assembly, the time line for the commission to circulate the final list for the senior leadership was three (3) months as per the deleted Rule 39 of the Assembly Rules of Procedures and deleted Sub-paragraph (1) of Article 16 of the Statutes of the Commission.

49. The standing Article 14 of the Statute reads as follows:

Article 14
Central Pre-selection Process

1. A panel consisting of two (2) representatives from each region shall be established for the central pre-selection exercise.
2. The panel shall be made up of Ministers assisted by a team of independent consultants.

The panel shall submit, for election by the Executive Council, a list of at least two (2) candidates for each portfolio. The shortlist of candidates shall take into account the agreed regional geographic distribution formula.

50. The former Article 14 has been deleted in its entirety and replaced by new Article 15 mentioned above on the High Level panel.

51. The standing Article 16 of the Statutes reads as follows:

Article 16
Voting Procedure for Election of Commissioners

1. Nominations for the office of Commissioners shall be circulated to Member States at least three (3) months before election.
2. Where no candidate obtains, in the first ballot, the two-thirds majority required for his/her election, the balloting shall continue until one (1) of the candidates obtains the two-thirds majority required. If the third ballot remains inconclusive, the next ballot shall be restricted to the two (2) candidates who obtain the greatest number of votes in the third ballot.

3. Where there are only two (2) candidates initially and neither candidate obtains the majority required at the third ballot, the candidate with fewer votes shall withdraw.
 4. If after three (3) further ballots neither of the two (2) candidates obtains the majority required, the candidate with the fewer votes shall withdraw.
 5. If the remaining candidate fails to secure the required two-thirds majority, the election shall be suspended until the next session of the Executive Council. The Chairperson shall, in consultation with the Chairperson of the Executive Council, appoint one (1) of the Commissioners to act until a new Commissioner has been appointed in accordance with these Statutes.
 6. Where there is only one (1) candidate initially and he or she fails to obtain the two-thirds majority required after the third ballot, the Chairperson of the Executive Council shall suspend the elections and the provisions in para.5 above shall apply.
52. **As per Para.20 of decision Ext/Assembly/AU/Dec.1(XI), Sub. 1 of the Article 16 is deleted and remaining Paragraphs will be renumbered.**
53. The standing Article 15 (Qualifications and Experience of the Commissioners becomes Article 17), Article 16 (Voting Procedure for Election of Commissioners becomes Article 18), Article 17 (Rules of Procedure becomes Article 19), Article 18 (Appointment of other Staff of the Commission becomes Article 20), Article 19 (Privileges and Immunities becomes Article 21), Article 20 (Programme and Budget becomes Article 22), Article 21 (Financial Resources becomes Article 23), Article 22 (General Fund becomes Article 24), Article 23 (Special Funds becomes Article 25), Article 24 (Gifts and Other Donations becomes Article 26), Article 25 (Deposit of Funds becomes Article 27), Article 26 (Accounts and Auditing becomes Article 28), Article 27 (Amendments becomes Article 29) and Article 28 (Entry into Force becomes Article 30).

IV. PROTOCOL ESTABLISHING THE PEACE AND SECURITY COUNCIL

54. The standing Article 10(4) of the Protocol Establishing the Peace and security Council, reads as follows:

Article 10

The Role of the Chairperson of the Commission

4. In the exercise of his/her functions and powers, the Chairperson of the Commission shall be assisted by the Commissioner in charge of Peace and Security, who shall be responsible for the affairs of the Peace and Security Council. The Chairperson of the Commission shall rely on human and material resources available at the Commission, for servicing and

providing support to the Peace and Security Council. In this regard, a Peace and Security Council Secretariat shall be established within the Directorate dealing with conflict prevention, management and resolution.

55. As per Para. 3(ii)(e) of decision Ext/Assembly/AU/Dec.1(XI), Article 10(4) would read as follows:

Article 10
The Role of the Chairperson of the Commission

4. In the exercise of his/her functions and powers, the Chairperson of the Commission shall be assisted by the Commissioner in charge of **Political Affairs and Peace and Security**, who shall be responsible for the affairs of the Peace and Security Council. The Chairperson of the Commission shall rely on human and material resources available at the Commission, for servicing and providing support to the Peace and Security Council. In this regard, a Peace and Security Council Secretariat shall be established within the Directorate dealing with conflict prevention, management and resolution.

56. To apply the alignment requested by the Assembly, there are three options, in regards to Protocol Establishing the Peace and security Council :

- a. The amendment of this Article will require the application of Article 22(6) of the Protocol on Amendment:
“Any amendment of revision of the present Protocol shall be in accordance of Article 32 of the Constitutive Act”.

The Constitutive Act in Article 32, states as follows:

Article 32
Amendment and Revision

1. Any Member State may submit proposals for the amendment or revision of this Act.
2. Proposals for amendment or revision shall be submitted to the Chairman of the Commission who shall transmit same to Member States within thirty (30) days of receipt thereof.
3. The Assembly, upon the advice of the Executive Council, shall examine these proposals within a period of one year following notification of Member States, in accordance with the provisions of paragraph 2 of this Article.
4. Amendments or revisions shall be adopted by the Assembly by consensus or, failing which, by a two-thirds majority and submitted for ratification by all Member States in accordance with their respective constitutional procedures. They shall enter into force thirty (30) days after the deposit of the instruments of ratification with the Chairman.

Therefore the process provided by Article 32 should be applied to amend the Protocol Establishing the Peace and Security Council.

- b. There will not be a need to amend Article 10(4) of the Protocol, if the name as adopted in the Assembly decision, could be changed from **Commissioner Political Affairs, Peace and Security** to the wording of the Protocol: **Commissioner in charge of Peace and Security**.
 - c. In light of the Vienna Convention of the Law of Treaties, in Article 31(3) on General Rule of Interpretation, the Protocol can be interpreted in line with the Assembly decision without any further amendment to Article 10(4) of the Protocol . . . In addition, the usage of the wording “in Charge of” in Article 10(4) of the Protocol is in line with the mandate of the relevant Commissioner and not the formal title.
57. To avoid unnecessary amendment, which was neither intended nor required, by the policy organs or State Parties, the Commission is of the view that, in the future any legal instrument **should not** make reference to a particular commissioner, but only to the Commission itself.

V. OUTSTANDING ISSUES TO BE RESOLVED

58. As per Rule 42(7) of the rules of Rules of Procedure of the Assembly (Voting Procedure for the Election of the Chairperson and Deputy Chairperson) states that, “**The Deputy Chairperson of the Commission shall take over the Chairmanship of the Commission on an interim basis until new elections are held. If the impasse is in respect of the Deputy Chairperson, the most senior Commissioner by length of tenure, or by age where length of tenure is the same, shall be designated to act as the Deputy Chairperson until new elections are held**”. While the rules are clear, the practice since 2002, while the election of the Chairperson is conducted, even though there were impasses previously the provision have not been used as Member States choose to extend the election to the next ordinary meeting of the Assembly in contradiction to subparagraph 42(7), hence it should be deleted as the practice of the Assembly is against it.
59. In addition, there should be a provision same as Article 9(2) of the Statute of the Commission, that address the unavailability of a Chairperson of the Commission and what needs to be done during such exigencies. In this regard the following text is presented for consideration: **“In case of absence, death, temporary or permanent incapacity of the Chairperson, the Chairperson of the Assembly with consultation with the Bureau of the Assembly, appoint the Deputy Chairperson, to act as Chairperson of the Commission, pending the return of the incumbent or the election of a new Chairperson, as the case may be.”**

60. The Commission while going through the alignment process , would like to highlight the need to review the different Legal instruments for consistency and alignment , in this regard the office of the Legal Counsel should be requested to prepare a report on all inconsistencies in different legal instruments when its relevant to the smooth functioning of the Union and report back to the policy organ in January 2020 ,

VI. RECOMMENDATIONS

61. The alignments made based on Decision Ext/Assembly/AU/Dec.1 (XI) and Decision Ext/Assembly/AU/Dec.3 (XI), therefore the amended legal instruments should be submitted to the Executive Council and Assembly of the Union for consideration and adaption. The three instruments are:
- a) Amended Rules of Procedure of the Assembly,
 - b) Amended Rules of Procedure of the Executive Council, and
 - c) Amended Statute of the Commission.
Request the Commission (Office of the Legal counsel) to report on the inconsistencies in different legal instruments by January 2020.
