a) During the 26th Ordinary Session held from 11-16 March 2018 in Arusha, Tanzania, Headquarters of the Advisory Board, a number of decisions were taken. It is worth recalling that these decisions were instructions given to the Secretariat for immediate implementation. These include:

- Presenting a summary table including 2017 missions and their financial implications as this has never been done so far;
- Engaging with a GIZ delegation for potential collaboration in various areas of partnership and support.
- As concerns the 2019 Budget, and given the limited capacity of the Secretariat to successfully carry out its mission, the Board advised the Secretariat to propose a new organizational structure to convey to relevant bodies of the African Union. Tanzania, Togo, Uganda and Zimbabwe. The Board calls on the 27 other states that have not yet done so to submit their baseline reports to the Board.

(b) Evaluation Missions

13. In September 2018 the Board undertook an evaluation mission to Namibia to engage with the state on its report on the Convention. The delegation held meetings with various authorities including the Ministry of Justice, the national Anti-corruption Commission, the National electoral Commission, the Anti-Money Laundering Unit, the Office of the Ombudsman, the Parliamentary Public Accounts Committee, the financial intelligence Unit, the Auditor General and Prosecutor General. The Board held a workshop with the civil society and paid a courtesy visit to the Prime Minister, Hon. Saara Kuugongelwa-Amadhila, and Advisors at the Presidency. The delegation of the Board also paid a courtesy visit to the Minister of International Relations and Cooperation and was received by Hon.Vice Minister Christine Hoebes.

14. In November 2018, the Board undertook an evaluation mission to Rwanda to engage with the state on its report on the Convention. The delegation held meetings with various authorities including the Office of the Ombudsman, Public Procurement Authority, National Public Prosecution Authority, Investigation Bureau, the Office of the Auditor General and the Forum of civil society. A courtesy visit was paid to the President of Senate.

15. The evaluation mission to Algeria initially scheduled from 2-7 December 2018 was postponed indefinitely by Algerian Authorities.

16. The Board shall review the Evaluation Mission Reports together with the Baseline Report in accordance with its Rules of Procedure and present a comprehensive report to the Executive Council in 2020.

(c) Collaboration with Stakeholders

17. As part of its mandate pursuant to Article 22(5)(g) of the Convention to build partnerships with a broad range of stakeholders involved in the fight against corruption as well as within the auspices of Project 2018, the Board held a number of engagements with anti-corruption stakeholders.

18. The Board participated at the 18th International Anti-Corruption Conference where it shared with the international anti-corruption community the African Union’s perspectives on winning the fight against corruption in Africa. It also attended the 54th Governing Board Meeting of the African Organisation of Supreme Audit Institutions (AFROSAI) in an effort to build greater synergies between supreme audit institutions, national anti-corruption agencies and the Board. The Board convened the inaugural edition of the Experiential Learning Institute on Corruption with the MS Training Centre for Development Cooperation (MS-TCDC) that trained 20 anti-corruption activists on new approaches to
fight corruption. It similarly participated in the 3rd Edition of the Continental Civil Society Forum of the Multi-Sectoral Working Group on Corruption to engage with civil society organisations and commemorate the African Anti-Corruption Day. Parallel to the 63rd Session of the African Commission of Human and Peoples’ Rights, the Board called for collaboration with human rights organizations and civil society forums enjoying observers status with the Banjul Commission.

19. Concerning the implementation of the Nouakchott Declaration, the Board participated in the meeting organized by the High Level Panel on Illicit Financial Flows, the Working Group on Illicit Financial Flows and the United Nations Economic Commission for Africa in November 2018, with the Authorities of the United Republic of Tanzania. It was agreed during the meeting that the Board should identify States that have embarked on the recovery of stolen assets in order to prepare a report and a roadmap within the framework of the African common.

(d) **Collaboration with African Union organs and other institutions**

20. During the year, the Board was engaged in a number of activities organised by organs of the Union. This was mainly in furtherance of the AU Annual theme hinging on combatting corruption.

21. The Board was represented at the 63rd Ordinary Session of the African Commission on Human and People’s Rights as well as the 5th and 6th Ordinary Session of the Pan African Parliament. The theme of the Commission’s 63rd Ordinary Session as well as commemoration of African Human Rights Day was dedicated to fighting corruption and advancing human rights. The annual theme of the Pan African Parliament was similarly dedicated to fighting corruption. The Board, in partnership with the African Committee of Experts on the Rights and Welfare of the Child also undertook a joint study on assessing the cost of corruption on the welfare of children as part of the activities to mark the African Anti-Corruption Year. The Board also spoke on the theme of the year at the oath taking ceremony of the new judges of the African Court of Human and Peoples’ Rights.

(e) **Second African Anti-Corruption Dialogue**

22. Pursuant to Article 22(5)(g) of the Convention mandating the Board to build partnerships between relevant actors in the fight against corruption, the Board convened the second African Anti-Corruption Dialogue from 2-4 October 2018. The dialogue served as a forum for reflection, strategy development and experience sharing between national agencies mandated to fight corruption, AU organs and institutions, member states, anti-corruption experts and other crucial actors in the fight against corruption. The second edition of the dialogue was geared towards developing an African Anti-Corruption methodology uniquely designed with the African landscape in mind.

23. The dialogue brought together over 150 participants including national
anticorruption agencies from across the continent. The annual dialogue has proved to be a useful forum for sharing of experiences between states and further publicizing the under-reported success stories of member states in fighting corruption. Participants, called on the Board to institutionalize the forum in the annual calendar of activities of the African Union as a means to strengthen dialogue and reinforce partnerships between various anti-corruption actors.

24. The Board wishes to request the institutionalization of the Annual African Anti-Corruption Dialogue as a regular feature of the Board’s work programme.

(f) The African Anti-Corruption Year (Project 2018)

25. Following Decision EX.CL/Dec.978(XXXI) of the Executive Council to recommend the appointment of H.E Mr. Muhammadu Buhari, President of the Federal Republic of Nigeria as the Champion of the theme for 2018, a detailed report on the implementation of activities for the theme of the year will be presented by H.E Mr. Muhammadu Buhari.

(g) Revision of the Rules of Procedure

26. During its 25th Session, the Board amended its Rules of Procedure to align it with the Convention. The Board has therefore been able to extend the duration of its current sessions from five (5) days to two (2) weeks to have more time to examine items of its agendas.

(h) Shortcomings of the Secretariat of the Board

27. The Board Secretariat suffers numerous shortcomings. Staff members of the Secretariat do not assist the Board in fulfilling its mandate: they do not follow or implement instructions of the Board, refuse to reply emails from the Chair, lack of transparency in their management of financial resources, lack of interim management within the Secretariat, information blackout, they refuse to submit their financial report to Board Missions. The Board is facing gross insubordination from the staff of the Secretariat.

28. Though the Board has reported these frequent insubordinations to the Commission of the African Union, no solution has been brought to the problem. Staff members continue to snatch responsibilities from and challenge the Board on a daily basis.

29. Obviously, such behaviour has negatively impacted the credibility of the Board and caused the loss of partnerships with technical and financial partners, notably after the issue of an audit report for 2013 budgetary year. Some excesses contained in the report have never ceased. The Board must address this issue to put the Secretariat in order and allow the Chairperson of the Board to supervise and coordinate the smooth running of the Secretariat as obtained in the Court and in the Commission (see various memos, 2013 Audit Report and Decisions on poor management of the Board as annexure).
(i) Death and resignation of a Board Member.

30. The Board wishes to inform the Executive Council of the passing away on 28 December 2017 of Board Member Honourable John Kithome Tuta, a national of Kenya, following an illness. Honourable Tuta was elected for the first time during the 26th Session of the Board held in Addis Ababa from 23–27 January 2015 for a two-year term. He was re-elected during the 30th Session of the Executive Council held in Addis Ababa from 25–27 January 2017 for another two-year term.

Resignation of Honourable Daniel Batidam

31. It is worth recalling that Honourable Daniel Batidam, Board Member from Ghana, presented his resignation letter to the Chairperson of the Board for transmission to the Executive Council through the President of the AU Commission. Unlike the normal procedure whereby the resignation letter is transmitted to the Executive Council that elected the resigning member, the Board received a letter from the Vice President of the Commission accepting the resignation. This is quite surprising, since it behoves the Executive Council that elected Honourable Batidam to react to his resignation letter. To date, Honourable Batida is still waiting for the outcome of his resignation letter (see letter as annexure.)

IV. RECOMMENDATIONS

(a) Ratification of the Convention by all Member States

32. The ratification of the Convention by all the Member States is one of the priorities of the Board. During the reporting period, Angola and Mauritius ratified the Convention and the Board wishes to formally congratulate them for their decision. The Board urges Angola and Mauritius to submit its baseline report pursuant to Art. 22(7) of the Convention by January and May respectively. The Board notes that while ratification of legal instruments relates to the sovereignty of States, the Board would like to encourage all States that have not ratified the Convention, to proceed to accede to the same.

33. The Board looks forward to strong mobilisation by Member States in favour of universal ratification of the Convention.

(b) Reports on the Implementation of the Convention by States Parties

34. The Board wishes to request the 27 States Parties that have not yet done so to submit their reports on the implementation of the Convention pursuant to their obligations under Article 22(7). The Board further recommends that States Parties designate national focal points to facilitate easily communication between the Board and States Parties.
(c) **Response to requests for hosting missions of the Board**

35. The Board remains constrained in its ability to engage with Member States due to the slow response by states to its request to engage in evaluation and sensitization missions. The Board calls on member states to respond in a timely manner to its requests to host various missions.

36. The Board further appeals to states to offer to host the statutory sessions of the Board as a means to assist with promoting the visibility of the Board within member states.

(d) **Institutionalization of the African Anti-Corruption Dialogue**

37. The Board wishes to request the institutionalization of the Annual African Anti-Corruption Dialogue as a regular feature of the Board’s work programme.

(e) **Audit Implementation**

38. It is the wish of the Advisory Board for the implementation of the Nouakchott Decision requiring an immediate independent audit of administrative, financial and human resources for urgent administrative steps to be taken in order to put the Secretariat in order and allow the Board to carry out its mission hitch-free.

39. The Board urges the Executive Council to engage Member Countries to submit their initiatives on the recovery of stolen assets for a better coordination and invites other stakeholders, including the African Development Bank, to join the Working Group on Illicit financial flows.

ANNEXES
URGENT MEMORANDUM

FROM THE AFRICAN UNION ADVISORY BOARD ON CORRUPTION (AUABC)

TO THE CHAIRPERSON OF THE AFRICAN UNION COMMISSION

RE: PERTINENT ISSUES ON THE OPERATIONS OF THE AFRICAN UNION ADVISORY BOARD ON CORRUPTION

I. INTRODUCTION

During the 22nd Ordinary Session of the African Union Advisory Board on Corruption (AUABC) held in Arusha, Tanzania, from 11 to 16 December, 2016, the Board considered a number of pertinent issues regarding its operations, and which require your urgent attention. These include:

- The current situation of the Board
- Recruitment of AUABC Executive Secretary and senior management Staff
- Maladministration at the Secretariat
- Capacity-related constraints
- Executive Secretary’s notorious insubordination and incompetence

II. THE CURRENT SITUATION OF THE BOARD

a) Mandate

According to Article 22(4) of the African Union Convention on Preventing and Combating Corruption (hereinafter referred "the Convention"), the eleven (11) members of the Advisory Board are appointed for a two-year term, renewable once...
The current Board was elected into office during the AU Summit held in January, 2015 for a period of 2 years. However, the members did not begin their mandate until 4 May, 2015, when they were sworn into office. Four (4) of the members will have served two terms by January 2017, while the other seven (7) are eligible for re-election as per the Convention.

From the experience of the Board over the past 4 years, the two-year term for members is too short for it to plan and execute its strategies in line with its mandate. Consequently, the Board recommends that:

i) The AU Policy Organs amend the tenure of the Board from 2 years to a fixed term of five years as was done for the African Committee of Experts on the Rights and Welfare of the Child (ACERWC);

ii) The tenure of the Board be clearly determined to start from the date of taking oath of office.

b) The recently introduced AU policy on regional, gender and other representational issues vis-à-vis current situation of the Advisory Board

While respecting the AU policy on the above, the Board is of the view that some flexibility in its application would enhance the Board’s effectiveness in the execution of its mandate.

III. RECRUITMENT OF THE AUABC EXECUTIVE SECRETARY AND SENIOR MANAGEMENT STAFF

The Board notes, with concern that, so far, the recruitment of the Executive Secretary and other senior officers at the Secretariat of the Board, were without recourse to the latter. Consequently, the persons who have been recruited lacked the required competencies and expertise to meet the expectations of the Board for the purposes of executing its mandate. Although in recent times, the Board has been involved in the recruitment of some senior policy officers, this needs to be formalized.

IV. MALADMINISTRATION AT THE AUABC SECRETARIAT

The Board notes with grave concern the recurrence of certain acts of incompetence, misconduct, dishonesty, mismanagement and other instances of abuse of entrusted power at its Secretariat.
a) Non-adherence to financial rules and regulations

The Board has observed a number of instances where funds allocated for various purposes have not been managed in a proper, prudent, efficient and accountable manner, very often, in total disregard for AU Financial Rules and Regulations and recommendations of the AU’s Office of the Internal Auditor. A typical example is the fact that, throughout the current year, and contrary to clear directives by the Office of the Internal Auditor, the Executive Secretary has failed to submit budgets of the Board for approval by its Bureau. The Executive Secretary simply failed to comply with procurement rules of the Union resulting in unnecessary financial losses. As such, the Board strongly recommends further investigations be conducted into the management of its finances by the Executive Secretary.

b) Non-implementation of instructions and decisions of the Board

The Board has observed several cases where the Executive Secretary has disregarded and/or disobeyed instructions and decisions of the Chairperson or the Board, which amounts to insubordination. This has adversely affected the output of the Board in terms of executing its mandate. The Board is of the view that the Executive Secretary’s refusal to implement its decisions amounts to gross insubordination, which calls for appropriate administrative sanctions to be expeditiously applied against the Executive Secretary.

c) Breach of confidentiality of the Board

On 14 December, 2016, the attention of the Board was drawn to the fact that ongoing proceedings of the 22nd Ordinary Session of the Board were being secretly tape-recorded for unjustifiable reasons. This raised serious suspicions not only on the motives for the said recordings, but the ethical and legal ramifications for the Board’s security and integrity. It was even more disturbing when the Executive Secretary admitted that she had authorized the said secret recordings and that it was actually not the first time she did so. The Board, therefore, strongly recommends that further investigations be conducted to establish the motives behind the said secret recording so that appropriate measures are taken.

V. CAPACITY-RELATED CONSTRAINTS

As earlier noted, the Secretariat of the Board is seriously understaffed, which has adversely affected the execution of its mandate. At the moment, the Secretariat has only three permanent staff, namely the Executive Secretary, the Finance and Administrative Officer (FAO) and the Documentalist in addition to two temporary staff – a driver and a bilingual secretary. This has resulted in a situation where the FAO
performs procurement, accounting, and auditing functions, thereby creating fertile grounds for corruption, mismanagement, and abuse of the funds of the Board.

The Board therefore recommends that the AU Commission takes immediate steps to facilitate the recruitment of competent and adequate staff for its Secretariat.

VI. EXECUTIVE SECRETARY'S INSUBORDINATION AND INCOMPETENCE

The poor track record and understaffing at the Secretariat has been compounded by the display of gross insubordination, incompetence and dishonesty by the Executive Secretary in the supervisory, technical and managerial roles associated with her position. It is the view of the Board that these inadequacies should be taken seriously into account when considering the confirmation of the Executive Secretary to her current position.

VII. CONCLUSION

In view of the foregoing, the current Board, as has been the case with previous Boards, has been challenged in the fulfillment of its plans and activities as spelt out in its Strategic Plan for the period under review. The Board recommends that the AU Commission urgently implements the recommendations stated above to enable the organ to effectively execute its mandate.

SUBJECT: Urgent Remedial Measures at the African Union Advisory Board on Corruption (AUABC)

Your Excellency,

I would like to inform you that the AU organ whose Bureau I have been chairing since the end of July 2017, is facing grave challenges in its operations due to the conduct displayed by the Executive Secretariat which borders on disdain, if not outright negligence, including serious violations of administrative ethics and the rules of good governance governing a specialised body like ours.

There are several grievances concerning the Executive Secretariat. The most serious one, bordering on insubordination, is the categorical refusal to execute the Bureau’s instructions, thus undermining all the initiatives taken by Board members to fulfil their mandate.

Furthermore, there are examples of the Executive Secretariat’s clear desire to slow down and even sabotage the Board’s activities:

• refusal to make hotel bookings during missions by Bureau and Board members (who the Executive Secretariat insists must travel in economy class, even
on trips that are well above 5 or 6 hours);
• lack of response to all guidance, queries and various instructions sent by e-mail;
• decisions on sensitive matters without prior authorisation of the Bureau and the Board members, including the recruitment of an interim bilingual secretary to replace the Board’s bilingual secretary who went on leave during the last Board session held from 11 to 16 December 2017, despite the fact that the dates of the session had been communicated in July 2017;
• the systematic refusal to communicate and submit working documents to the Bureau and Board members. A case in point is the budget of each Board session that is meant to be sent to the Bureau before the beginning of each session in accordance with the Rules of Procedure;
• refusal to submit financial reports of the missions conducted by the Board members;
• holding a working meeting with the Ambassador of Zimbabwe at the Board's headquarters and later declining to give a report to the Bureau, despite the Chairperson’s insistence;
• withholding important information regarding the work of the Board. Often, information is not communicated to the Bureau or is conveyed very late, such as the note verbale sent to the Board by the Embassy of Tunisia in Addis Ababa, dated 10 November 2017 (see attached), received by the Board’s Executive Secretariat on 4 December 2017 and communicated to the Bureau on 12 December 2017. The Executive Secretary took it upon herself to request one of her collaborators to acknowledge receipt of the note verbale and respond to it.

You will recall that the facts that I am raising were brought to your attention in an urgent memorandum signed by all AUABC Members on 16 December 2016 and have been the subject of financial audits that you expedited, and whose reports we only managed to access after repeated requests (at least for 2016).

In view of the foregoing and in the interest of justifying the decision of the continent’s leadership to create an organ to fight corruption, I would be most grateful if you took urgent steps to bring to heel the Executive Secretariat to enable the Board, which it has obviously held hostage, to carry out the mission entrusted to it by the Heads of State and Government.
I am at your disposal to provide further clarifications, at a time of your convenience, on this situation whose perpetuation is undermining more the objectives of the African Union than it is our humble and modest selves.

Yours sincerely,

URGENT MEMORANDUM

FROM THE AFRICAN UNION ADVISORY BOARD ON CORRUPTION (AUABC)

TO THE CHAIRPERSON OF THE AFRICAN UNION COMMISSION

Your Excellency,

Subject: Obstruction to the proper functioning of the AUABC

1. First and foremost, the Board wishes to congratulate you for the remarkable work you have done since your election as head of the AU Commission and to thank you for the audience granted to the Chairperson of the Board on 13 February 2018. The Board also wishes to thank you for the unwavering support you give to the Board for the implementation of its activities and especially for your personal commitment to the theme of the year "Winning the Fight against Corruption: A Sustainable Path to Africa's Transformation."

2. In order to meet this challenge, we need men and women who are available and willing to serve with integrity and objectivity, and are committed to supporting the Board in the context of its mandate. Unfortunately, and to date, the Board is continually faced with enormous administrative difficulties, which undermine its functioning and thus its mandate.

3. The Board has, on several occasions, drawn the attention of the Commission to confirmed cases of insubordination, negligence and mistrust by the Executive Secretary and obstacles to the organization of the Board's missions the Finance Officer (blatant reluctance to calculate the daily subsistence allowance of Board members and prepare financial reports of various missions and sessions).

4. The Board would also like to inform you of the initiative taken by the Executive Secretary to modify the composition of its Delegation to the January 2018 Summit with the sole objective of ensuring that the Finance Officer travels to Addis Ababa, the doctoring of the Board's report and draft decisions submitted to the PRC without any prior notice, even though the said documents had been adopted during the Board's session (Annex 6), as well as their refusal to submit a supplementary budget to the Board for 2018, the year which has been declared the Anti-Corruption Year by the Assembly of Heads of State and Government of our joint organization and therefore, the Board must be more active and visible.
5. These concerns were brought to the attention of the Commission in memos dated 16 December 2016 and 21 December 2017 (Annexes 1 and 2). The queries sent (Annex 3), in March 2018 in particular, demonstrate that these two officials deliberately refused to contribute to the success of the Board's mission, especially since their responses to the queries are proof before the Board that they are in no manner willing to support the Board (Annexes 4 and 5).

6. The Board is deeply concerned and finds it incomprehensible and unacceptable that some officers decide 'take hostage' an organ whose mission remains very sensitive and of particular interest to our African leaders.

7. In order to ensure that its mission is achieved and, particularly in the special year, the Board recommends that urgent administrative measures be taken against these two officers to enable the Board to fulfill the enormous responsibility that the Heads of State entrusted to it by declaring 2018 as the African Anti-Corruption Year.

Dear Hon. Chairperson

LETTER OF RESIGNATION

I hereby wish to tender in my resignation letter for onward transmission to the Chairperson of the African Union Commission as required by Article 4 (3) of the Board Rules of Procedure.

After witnessing several instances and degrees of bad governance, including the abuse of entrusted power (or corruption), lack of probity, accountability, transparency and integrity at the Secretariat of the AUABC and some Departments of the AU Commission itself for over a period of three years now, while all efforts at seeking redress have yielded no results, I have decided on grounds of principle that enough is enough.
Even as I step out of the AUABC, I wish to extend my sincere gratitude to the Executive Council of the African Union (AU) for having confidence in me by electing me to serve on the Board not only once but twice - first, in January 2015 for a term of two years and again in January 2017, to serve a second and last term of another two years in line with Article 22 of the African Union Convention on Preventing and Combating Corruption (AUCPCC).

Permit me, Hon. Chairperson, to also take this opportunity to commend the Heads of States and Governments of the AU for their demonstration of political will to fight corruption by declaring the year 2018 as the “Africa Anticorruption Year” as well as 11th of July to henceforth be commemorated annually as “Africa Anticorruption Day.” I note with a great sense of satisfaction that it was under my tenure as Chairperson of the AUABC that these decisions were taken by our political leaders and I remain hopeful that these landmarks decisions will indeed bear some fruits for the benefit of Africa and its people who have suffered for far too long because of corruption.

I wish you, Hon Chairperson and other colleague members of the Board, all the best as you continue to strive to serve our dear continent.

Sincerely,

[Signature]

Daniel Batidam
Board member/ GHANA
Dear Sir,

**RE: LETTER OF RESIGNATION**

I have the honour to acknowledge receipt of a copy of your letter of resignation dated 8th June, 2018.

It is most unfortunate that you find yourself unable to continue in your role as Board Member from Ghana on the African Union Advisory Board on Corruption. Considering that our objective for the year is to fight corruption on the continent, the reasons leading to your decision are indeed deeply regrettable. However, I respect your sentiments and your decision which is based on principles.

May I, on behalf of the Commission, take this opportunity to acknowledge and register our appreciation of your input and work on the AUABC over the period both as Member of the Board and as Chairperson, and to thank you for your services. It is an uphill task, however, this Commission is committed to vigorously confront and tackle the menace of corruption in its own ranks and its affiliates.

I wish you the best in your future endeavours.

Please accept the assurances of my highest consideration.
