3. **Expresses deep concern** over the continued political stalemate and the institutional crisis in Guinea Bissau, which is marked by persistent tension among political leaders and which are seriously undermining the gains made since the 2014 legislative and presidential elections. Council **also expresses concern over** the persistent socio-economic difficulties that the current crisis has caused to the people of Guinea Bissau;
4. **Reiterates its call** for all Bissau-Guinean stakeholders to adhere to the provisions of the country's Constitution and **underscores the importance** of the 10 September 2016 Roadmap and the 14 October 2016 Conakry Agreement as the only frameworks for a peaceful resolution of the crisis. Council **calls upon** the Bissau-Guinean stakeholders to strictly respect and comply with the Agreement and the Roadmap in addressing their differences and the challenges facing their country. Council **further calls upon** the Bissau-Guinean stakeholders to refrain from actions and statements that could escalate tensions and incite violence;
5. **Urges** the President of the Republic of Guinea-Bissau to ensure that the provisions of the Conakry Agreement are respected and **appeals** to the Guinea-Bissau authorities and other concerned stakeholders to take all necessary steps towards the full implementation of the Conakry Agreement, including through strengthening the dialogue and establishing an inclusive government, as well as putting the interests of the country and its people above all other interests;

6. **Commends** the restraint demonstrated by the defence and security forces of Guinea Bissau, which, so far, have refrained from interfering in the political and institutional crisis facing the country. In this regard, Council **encourages** these forces to continue to demonstrate professionalism and uphold their constitutional mandate;
7. **Reiterates** the importance of the role of the ECOWAS Mission in Guinea Bissau (ECOMIB) in stabilizing the country, and **calls** for joint efforts to mobilize financial resources to support the continuation of ECOMIB operations in Guinea-Bissau. In this regard, Council **welcomes the willingness** of the EU to consider options for providing further support to the ECOMIB mission;
8. **Urges** ECOWAS to urgently dispatch a ministerial mission to Guinea-Bissau, as part of the follow-up steps for the implementation of the Conakry Agreement, in order to identify and address the obstacles impeding the implementation of the Agreement, with a view to promoting a durable solution to the crisis in that country;
9. **Commends** the efforts being deployed by ECOWAS, particularly through its current Chair, President Ellen Johnson Sirleaf of Liberia, and the ECOWAS Mediator, President Alpha Conde of Guinea, with the support of President Ernest Bai Koroma of Sierra Leone.
