ASSEMBLY OF THE UNION
Fifteenth Ordinary Session
25 - 27 July 2010
Kampala, Uganda

Assembly/AU/17(XV) Add.10

**RECONSIDERATION OF DECISION ASSEMBLY/AU/Dec.263(XIII) ON
THE TRANSFORMATION OF THE AFRICAN UNION COMMISSION
INTO THE AFRICAN UNION AUTHORITY**

*(Item proposed by the Great Socialist People's Libyan Arab
Jamahiriya)*

2010
MAKE PEACE HAPPEN

**RECONSIDERATION OF DECISION ASSEMBLY/AU/Dec.263(XIII) ON
THE TRANSFORMATION OF THE AFRICAN UNION COMMISSION
INTO THE AFRICAN UNION AUTHORITY**
(Item proposed by the Great Socialist People's Libyan Arab Jamahiriya)

I. ITEM PROPOSED FOR INCLUSION IN THE AGENDA OF THE ASSEMBLY

1. In accordance with Rule 8, paragraph 2(d) of the Rules of Procedure of the Assembly, the Great Socialist People's Libyan Arab Jamahiriya requests the inclusion of an item titled "Reconsideration of Decision Assembly/AU/Dec.263(XIII) on the Transformation of the African Union Commission into the African Union Authority" in the agenda of the 15th Ordinary Session of the Assembly to be held in Kampala, Uganda in July 2010.

II. EXPLANATORY NOTE ON THE JUSTIFICATIONS FOR THE INCLUSION

2. At its 13th Ordinary Session held in Sirte in July 2009, the Assembly of the African Union adopted a document titled: The Outcome of the 12th Ordinary Session of the Executive Council on the Implementation of Decision Assembly/AU/Dec.263(XIII) on the Transformation of the African Union Commission into the African Union Authority. This Decision requested the AU Commission, inter-alia, to prepare the necessary legal documents for the process. The Commission thus prepared the said documents through legal experts assigned to that task.

3. The purpose of that arrangement was to establish an organ for the African Union that would embrace all organs so far created within the African Union, namely: the Executive Council, Peace and Security Council, the New Partnership for Africa's Development (NEPAD), the Permanent Representatives' Committee in addition to the two recently established organs - the African Defence Council and the African Agency for the Protection of Territorial and Economic Waters. It was clear from the documents prepared that what was done was a mere change of name from the African Union Commission to the African Union Authority. No real change has taken place to lead to the establishment of an effective African organ capable of accelerating the integration process on the continent, with the ultimate goal of the establishment of the United States of Africa.

4. In its present form as proposed in the said legal documents, the Union remains a multi authority institution with each authority maintaining its current structure, rules and mandate without being answerable to any other organ. The Executive Council will have no link with the Commission, and the Peace and Security Council will remain autonomous without any link with either the Commission, the Executive Council or the Chairperson of the Union. The Permanent Representatives' Committee will not be answerable to any organ. NEPAD will become a government of its own with a flag, holding its own Summit.

5. Any substantive and effective change in the current structure of the Union must put an end to all this fragmentation and balkanization. That is why the Great Socialist People's Libyan Arab Jamahiriya proposes the reconsideration of Assembly

Decision Assembly/AU/Dec.263 (XIII) and the recommendations adopted therein that will ultimately lead to the acceptance of the two following options:

OPTION ONE

6. Maintain the African Union Commission with a new mandate additional to the existing one as per what is clearly indicated in the Draft Statutes, copy of which is hereto attached. We also propose a new structure for the Commission as clearly illustrated in the Draft Statutes.

7. By this arrangement, all Commissioners will become Members of the Commission. In addition to other responsibilities that may be assigned to each of them, the duties of the Commissioner of Peace, Security and Mediation will include chairing the meetings of both the Peace and Security Council and Member States' Ministers of the Interior. The duties of the Commissioner of Foreign Policies will include chairing the meetings of the Executive Council and should be confined only to Foreign Policy, without having anything to do with the issues it currently deals with such as Agriculture, Industry, Education, etc. The Commissioner of Economic Affairs, Trade, Industry and International Cooperation shall chair meetings of both NEPAD and Ministers of Economy, Trade and Industry of Member States as well as those of the remaining sectors such as Education, Health, Agriculture, Infrastructure etc.

OPTION TWO

8. Application of Article 10 of the Constitutive Act whereby the Executive Council will be composed of Ministers of Foreign Affairs and Ministers of various sectors in Member States such as Education, Agriculture, Industry, Social Affairs, External Affairs and Defence etc. as clearly illustrated in the attached chart on the new composition of the Executive Council, including a number of Sectoral Ministers and their respective duties.

9. In presenting this proposal as contained in the two Options, the Great Socialist People's Libyan Arab Jamahiriya is fully confident that the adoption of either of them, will make the African Union an effective organ comprising Commissioners for the first Option; and Secretaries/Ministers for the second Option, each performing clear and well defined functions in both Options. In addition to that, the advantages of this proposal are that the new composition of the Executive Council will reflect the letter and spirit of Article 10 of the Constitutive Act. Besides, both the new structure of the Commission and the new composition of the Executive Council will comprise all the organs of the Union in a coherent and more coordinated manner. Moreover, acceptance of either Option will not require any amendments to the Constitutive Act of the Union, its nomenclature or content. The issue will then be to introduce changes to the Rules of Procedure of a number of the existing organs.

"We are determined to deal once and for all with the scourge of conflicts and violence on our continent, acknowledging our shortcomings and errors, committing our resources and our best people, and missing no opportunity to push forward the agenda of conflict prevention, peacemaking, peacekeeping and post-conflict reconstruction. We, as leaders, simply cannot bequeath the burden of conflicts to the next generation of Africans." (Paragraph 9 of the Tripoli Declaration of 31 August 2009).
