REPORT OF THE SUB-COMMITTEE ON MULTILATERAL COOPERATION JANUARY TO DECEMBER 2017

Introduction

1. During the period under review, the Sub-Committee on Multilateral Cooperation under the Chairmanship of the Arab Republic of Egypt, up to April 2017, when the Republic of Djibouti assumed the chairpersonship of the PRC Subcommittee on Multilateral Cooperation, focused on the consideration of the implementation of Executive Council Decisions that ranged from preparation for the 5th African Union-European Union Summit held in Abidjan, Cote d'Ivoire, from 29 to 30 November 2017, the preparation for the TICAD VI Ministerial follow-up meeting held from 23 to 25 August 2017 in Maputo, Mozambique as well as follow-up on the implementation of Decisions regarding the Forum for China-Africa Cooperation (FOCAC), the Africa – Arab Partnership, the Africa – Korea Partnership, the Africa – Turkey Partnership, the Africa - South America Partnership and the Africa – India Partnership.

2. The Subcommittee focused its attention on the implementation of Executive Council Decision No.: EX.CL/Dec.967(XXXI) taken during its thirty-first Ordinary Session, 30 June – 1 July 2017 in Addis Ababa, Ethiopia, which recalls the Decision No.: EX.CL/DEC.942 (XXX) of the 30th Ordinary Session of the executive council, 25 - 27 January 2017, Addis Ababa, directing the PRC, in collaboration with the commission and the RECs, to hold special sessions within six months to allow for an in-depth discussion and analysis of all aspects of Strategic Partnerships in order to formulate appropriate proposals and recommendations and mandating the commission, in collaboration with the PRC, to undertake an in-depth evaluation of all partnerships and to submit concrete recommendations in July 2018.

3. The Sub Committee also considered the issue pertaining to the future of the relationship between the EU and the ACP Group and the Post-2020 Cotonou Agreement. In that context, the Chair of the PRC, the Chair of the Subcommittee on Multilateral Cooperation and the Rapporteur of the Subcommittee met with the African Group of ambassadors in Brussels on 16 September 2017 during which they discussed the importance for Africa speaking with one voice and the need for adopting a Common Position for the Post-2020 Cotonou Agreement.

4. This Report summarizes the issues discussed and conclusions reached at these meetings. It is divided into two parts: the first part addresses general issues related to Strategic Partnerships, while the second part summarizes the deliberations regarding each Strategic Partnership.

Part I. Evaluation of Strategic Partnerships

5. The subcommittee played its advisory role to the PRC and Executive Council, which generated the two decisions of the Executive Council, which formed the foundation for the evaluation and strategy of AU strategic partnerships:

- a) Decision EX.CL/ 942 (XXX) adopted by the Executive Council during its thirtieth ordinary Session held in January 2017 in Addis, Ethiopia, directing *“the PRC, in collaboration with the Commission and the RECs to hold in-depth discussions and analysis of all aspects of Strategic Partnerships in order to formulate appropriate proposals and recommendations for submission to the Summit, taking into account the following:*
- *The process of institutional and structural reform of the African Union led by H.E. Mr. President Paul Kagame;*
 - *The criteria that will allow determining the dimension and importance of each partnership, among others, in terms of their benefits to the development of the continent and the implementation of Agenda 2063;*
 - *Highlight the indicators relating to all the benefits Africa reaps from partnerships;*
 - *The roles that the various entities of the African Union should play in the management and coordination of strategic partnerships;*
 - *The relevance of the formats of participation of Member States in the various partnerships;*
 - *Strengthening the institutional capacity of the Commission (Partnerships Management and Coordination Division).*
- b) Decision No.: EX.CL/Dec.967 (XXXI) taken during the Executive Council 31st ordinary session held in Addis Ababa, Ethiopia, in July 2017, recalling its previous request and matching it with a deadline as follows: *“Mandate the Commission, in collaboration with the PRC, to undertake an in-depth evaluation of all partnerships and submit concrete recommendations in July 2018”*

6. Based on the above Executive Council Decisions, the seventh Joint retreat between the Permanent representatives' Committee (PRC) and the African Union Commission (AUC) on the Evaluation of Strategic Partnerships was held from 13 to 14 December 2017, in Cairo, Egypt, to discuss the report of the Subcommittee on the evaluation of strategic partnerships and the draft African Union Outline Framework for Strategic Partnerships.

7. The Joint Retreat between PRC and AUC considered the Report on the Evaluation of Strategic Partnerships finalized by the Subcommittee on Multilateral Cooperation and submitted to the PRC for consideration in June 2016. The Report on the Evaluation of Strategic Partnerships reviewed the nine (9) Strategic Partnerships¹

entered into by Africa through the African Union, to determine their continued relevance, as well as their benefits and value addition to the Africa Union and more specifically, to its Member States, as well as to the region as a whole. A general consensus emerged that the evaluation report is accepted by Member States, who underscored its importance. However, the retreat directed the Commission to update the report including the evaluation of each of the existing nine strategic partnerships, to enable Member states to adopt strategic decisions about them. July 2018 is the deadline for finalizing that exercise.
