Your Excellency,

We have the honour to send you appended the action programme drawn up by the Executive Committee of the P.W.O. during the meeting held in Algiers from 12 to 16 September 1974, in connexion with the celebration of International Women's Year.

The successful achievement of the great tasks envisaged within the framework of International Women's Year, and the continuation of our regular activities have made it necessary for members of the Executive Committee to devote increased attention to the financial problems confronting our Organization.

We feel it our duty to point out that the number of women's organizations subscribing has diminished and subscriptions constitute our Organization's main source of revenue.

This delay in sending in subscriptions is a considerable handicap to the P.W.O. in fostering the useful activities we are currently engaged in.

We therefore earnestly request you to consider the feasibility of granting us a special subvention on the occasion of International Women's Year, since this would enable the task of the P.W.O. to be carried out more efficiently on a wider scale.

Please accept, Your Excellency, the assurance of our high consideration

The Secretary-General,

Fethia BETTAHAR

Your Excellency,

I have the honour to address to you, on behalf of the All-African Women's Conference and myself, the expression of our gratitude for your continued interest in our organization.

I should also like to convey my sincere thanks to the OAU General Secretariat for the Regular subvention allocated to the AAMC.

We keenly appreciated your response to our request that we be granted a supplementary subvention on the occasion of 1975, International Women's Year.

Since the activities we are planning in celebration of this year cannot be accurately estimated (three seminars, of which two are to be regional and one continental), we should be grateful if assistance to the value of US\$50,000 could be extended to us.

Please accept, Your Excellency, together with our thanks, the expression of our highest consideration.

The General Secretary
