COUNCIL OF MINISTERS

Thirty-third Ordinary Session

Monrovia, Liberia, July 1979

AGGRESSION AGAINST FRONT LINE STATES

(ITEM PROPOSED BY PEOPLE'S REPUBLIC OF ANGOLA)

CUANDA/MIREX AN 138 10 00 22 March 79

OU Secretary-General
Addis Ababa, Ethiopia

TLX 21046 OU (OUA) ADDIS

Following the aggressions recently perpetrated by the racist troops of Pretoria and Salisbury by violating the frontiers of Angola on several occasions so as to attack our people on the pretence to wipe out the bases of the Zimbabwe Patriotic Front and the SWAPO. I have the honour to request you to include in the agenda of the Thirty-Third Session of the OU Council of Ministers for Foreign Affairs the following as a priority item: Quote "Question of aggressions perpetrated by the racist regimes of Rhodesia and South Africa against Angola. Mozambique and Zambia unquote."

On this issue, the Council will consider reports on these aggressions aiming at preventing the front-line countries from supporting the legitimate struggle of the peoples of Zimbabwe and Namibia for a real independence, aggressions which increase the tension in the Southern Region of Africa and threaten international peace and security. The Council may also be asked to give its opinion on appropriate ways and means to compel the white racist regimes of South Africa and Rhodesia to abide by the resolutions of the OU and the UNO on the grant of independence to the countries and peoples still under foreign domination.

I would be grateful to you if you could inform the Member States of the OU of this proposal. Highest consideration.
