3. The Sub-Committee focused on the preparations for the TICAD VI Summit, scheduled to be hosted in Africa in 2016 including the implementation of the Executive Council January 2015 Decision n° EX.CL/Dec.854(XXVI) which “ENCOURAGES the candidate Member States to host TICAD VI Summit (The Gambia and Kenya), to finalize their consultations as soon as possible”, and “REQUESTS the Commission to engage the co-organizers and the host country for the determination of the date suitable to all stakeholders at the Summit of TICAD VI so as to embark on necessary preparations in this connection”.

It is to be recalled that the 3rd Africa-India Forum Summit was initially scheduled to take place in New Delhi, India, from December 1-5, 2014. The Government of India postponed the Summit on the combined grounds of the Ebola outbreak in some Western Africa countries and the then on-going general election process. After the newly elected Prime Minister took office, the Government of India, , proposed new dates for the holding of the 3rd Africa-India Forum Summit.

17. These dates were communicated to all AU Members States along with draft working documents, namely draft New Delhi Declaration and draft Framework of Cooperation.

18. The Sub-Committee on Multilateral Cooperation has started reviewing these draft documents through its Working Group and will engage the Indian side.

19. It is to be recalled that the outcome of the 2nd Africa-India Forum Summit held in Addis Ababa, Ethiopia, May 24-25, 2011 included the adoption of the Addis Ababa Declaration and 2011-2014 Plan of Action of which the Government of India committed itself to providing Africa with six Pan African institutes, 32 institutes at regional level in close collaboration with RECs and 40 institutes at bilateral /national level.

20. Following this offer from the Government of India, the Executive Council, through its Decision EX.CL/Dec.669 (XX) requested regional Deans and Members States to work out the distribution for the hosting of the six Pan African Institutes and the Technical and Vocational Education and Training (TVET). This distribution was as follows:

21. The Commission requested the esteemed Member States, in their capacity as host of these Pan African Institutes, to update her on the progress made on the establishment of these institutes. The purpose of the request from the Commission was to have a clear picture of the implementation of the 2011-2014 Action Plan with regard to the six Pan African Institutes. However, only Mauritius reported back to the Commission to indicate that she is no more in a position to host the India-Africa Centre for Medium Range Weather Forecasting.

AFRICA-TURKEY PARTNERSHIP

22. During the period under review, the main activity related to Africa-Turkey Partnership was the preparations and the holding of the 6th Joint Senior Official Meeting in Ankara, Turkey, in March 2015. The meeting was held pursuant to the agreement by the 2nd Africa-Turkey Summit that was held in Malabo, Equatorial Guinea, and in the context of the follow up mechanism on the Africa-Turkey Partnership.

23. The purpose of the meeting was to discuss the financing mechanism of the projects under the adopted Matrix of the key Priority Projects within the framework of Africa-Turkey Partnership for the implementation period 2015 and 2016. In the run up to this meeting, the Sub-Committee, in collaboration with AUC technical Departments, made the costing of the activities embedded in the Matrix and came up with a total amount of USD 28 million. Turkish side indicated that 1 million USD has already been contributed by Turkey to the African Union Commission in 2014, which would be mostly used to finance some of the projects under the adopted Matrix of the Key Priority projects, especially to meet the cost of international travel for African experts. The African Union side, however expressed reservations on the grounds that the 1 million US Dollars referred to above was contributed before the Malabo Summit and that, as such, could not be included and already have been earmarked for other activities by the African Union Commission. The two sides agreed to continue consultations on this issue. Meanwhile the allocation of funds to the specific and concrete projects had been done.

Recommendations

The PRC Sub-committee acknowledged the outcomes and recommendations of the above-mentioned meetings and noted that no achievement has taken place with regard to this partnership.

Recommendations

26. The PRC Sub-committee on Multilateral Cooperation:
