WITHIN THE INTERNATIONAL SYSTEM

I. INTRODUCTION

1. The Ministerial Committee on African Candidatures within the International System met in its Thirtieth Ordinary Session on 25 January 2017 in Addis Ababa, Ethiopia, under the chairmanship of **H.E. Manuel Domingos Augusto, Secretary of State for External Relations for the Republic of Angola.**

2. After opening the meeting and fulfilling the usual protocol formalities, the Chairperson presented the agenda of the session for adoption by the members.

II. PARTICIPATION

3. The following States, members of the Committee, were present: Angola, Benin, Botswana, Burundi, Cameroon, Chad, Egypt, The Gambia, Lesotho, Rwanda, Senegal, Sierra Leone, Sahrawi Arab Democratic Republic and Tanzania.

III. ADOPTION OF THE AGENDA

4. The Committee adopted the following agenda:

- i) Implementation of Decisions **EX.CL/Dec.917 (XXVIII) and EX.CL/Dec.938 (XXIX)** ;
- ii) Consideration of African candidatures for positions within the international system;
- iii) Any other business.

IV. IMPLEMENTATION OF DECISIONS EX.CL/Dec.917 (XXVIII) and EX.CL/Dec.938 (XXIX)

5. The Commission presented the report on the implementation status of Decisions EX.CL/Dec.917 (XXVIII) and EX.CL/Dec.938 (XXIX) on candidatures endorsed by the Executive Council at its previous sessions.

6. The Committee took note of the implementation status of Decisions EX.CL/Dec.917 (XXVIII) and EX.CL/Dec.938 (XXIX) on African candidatures endorsed at the 27th and 28th sessions held in January and July 2016 in Addis Ababa, Ethiopia and Kigali, Rwanda respectively. The Committee recommends that the Executive Council take note of the candidates elected and those who have not been elected (see report). It also decided on the cases of States which did not respect Executive Council decisions with regard to candidatures endorsed, as follows:

7. The Committee discussed at length the cases of non-compliance by Member States with Executive Council Decisions EX.CL/Dec.917 (XXVIII) taken at the Summit

held in Kigali, Rwanda, in June 2016, as well as the Revised Rules of Procedure, by submitting candidatures which were not endorsed and, moreover, which competed with the endorsed candidatures. These States were requested to provide explanations on this situation, which they did by evoking a lack of communication between their Permanent Missions, their capitals and the Commission. They expressed regret at this situation and apologized to the Organization by promising that such incidents would never happen again.

8. The Committee, having deliberated at length, decided, for this time only, to excuse these States for the reasons mentioned, in addition to the inadequate popularization of the provisions of the revised Rules of Procedure of the Ministerial Committee on African Candidatures within the International system. It also decided to inform Member States that such shortcomings would no longer be excused in the future and urged them all to cooperate in strengthening the African mechanisms in this field in order to optimize the African chances to obtain positions within the international system.

9. In order to avoid the repetition of such situations in the future, the Committee decided that the Secretariat should organize a mission of the Chairperson of the Ministerial Committee to meet with the Permanent Missions of Member States to international organizations, in order to sensitize and brief them, as well as organize the different aspects and stages of management of African candidatures within the international system.

12. Concerning the candidature of the Arab Republic of Egypt for the position of member of the United Nations Advisory Committee on Administrative and Budgetary Questions, during the elections scheduled for November 2017 in New York, the Committee recommended that consideration of this candidature be referred to the African Group in New York, in accordance with its mechanism for candidatures, taking due account of the fact that the position should be filled by Central Africa, based on the system in force for the rotation of this position between the North Africa and Central Africa regions;
