By way of anticipated activities, the in-coming Chair may wish to be guided by the following:

1. FOLLOW-UP AND IMPLEMENTATION OF THE OUTCOME OF THE 2019 ANNUAL RETREAT OF AFRICAN PERMANENT REPRESENTATIVES:

The 2019 Retreat of African Permanent Representatives provided a unique opportunity for the Group's reflections on leveraging its impact at the United Nations as well as its leadership of the forthcoming General Assembly Presidency. One of the key recommendations emanating from the retreat is the convening of quarterly strategy sessions of the group for better planning and coordination of the Group's activities at the UN including the implementation of the retreat recommendations. The African Group meeting held July 31, 2019 is instructive in that regard. **The in-coming Chair may wish to be guided by the attached Implementation Matrix of the Retreat.**
